If you'd like to get a wide openwork pattern, just make another edging. Join it to the first edging through the picot.

This color combination creates a simple wave effect: change the color of yarn for each of the next wheels.

Materials

Pearl cotton, crochet thread size 12, and steel crochet hook size 1.25 - 1.50 mm / 10 - 8.

You may use any yarn of your choice, and a suitable hook.
